MEMORANDUM FOR: Director of Security

THROUGH : Deputy Director for Administration

25X1 FROM :   
Administrative Officer/DCI

SUBJECT : Position Increases for O/DCI Security Staff

25X1 1. The O/DCI Security Staff currently has  positions on record  
25X1 to provide protective coverage for the DCI and DDCI. The FY 1987  
25X1 Budget request for O/DCI includes  additional positions and   
25X1 more are in the FY 1988 Budget Submission. Our initial 1989 Budget  
25X1 request included  more positions but final executive committee  
25X1 decisions did not provide for position increases for the DCI  
25X1 Directorate. If our 1987 and 1988 budget submissions receive final  
25X1 approval as submitted, the O/DCI Security Staff will total   
25X1 positions in FY 1988.

25X1 2. If  positions will not enhance the protective coverage  
25X1 to a level that should be afforded the DCI and DDCI, it will be  
25X1 necessary for the Office of Security to slot officers assigned to the  
25X1 O/DCI Security Staff. You should ask the Chief of O/DCI Security to  
25X1 present his report of future position requirements to your office for  
25X1 consideration. The DCI Directorate will of course continue to support  
25X1 the O/DCI Security Staff with the level of positions and funds  
25X1 currently requested in our budget.
